Welcome to CBCC

Thank you for considering Comprehensive Blood & Cancer Center (CBCC) for your medical care. Our goal is to provide you with the most advanced diagnostics and treatments available in the world. Our staff of physicians, nurses, therapists and assistants are dedicated to delivering your care in the most professional and compassionate way possible.

New Patient Packet:

We understand that having an illness is difficult for you and your family. Our physicians and staff are sensitive to this and are dedicated to helping you. When you arrive at CBCC, please sign-in with the receptionist. If for some reason you are unable to keep your scheduled appointment, please call as soon as possible to reschedule. This will allow us to use your time slot for another patient, and will permit you to receive the next earliest appointment time possible.

What you need to bring:

a. Please complete the required forms found in our packet and bring them with you to your scheduled appointment.
b. Advanced Directive; Please bring a copy for us to place in your medical record.
c. List of medications with dose and frequency and start date.
d. Photo ID, such as a driver's license.
e. List of allergies (med/food), reaction and date of first occurrence.
f. Medical insurance card(s).

If you have any questions, please call us at: **(661) 322-2206**.

Attention All Patients
Check-In Information & Late Policy

We understand that many of you have taken time off from work or school in order to come in for your appointment. We also realize that you have responsibilities to which you must attend. In an effort to maximize the time you spend with the provider during the visit; our late policy is as follows.

Purpose: To create a more professional environment for our patients and staff and to ensure all of our patients get the most out of their visit. Please understand that we will do our best to accommodate you and will be happy to reschedule appointments as necessary.

1. We recommend you arrive 15 minutes prior to your scheduled appointment to allow ample time for the check in process.

   New patients: We recommend that you arrive at least 30 minutes prior to your appointment time in order to ensure that we have all of your necessary paperwork and documents.

2. **Please be aware that arriving after your scheduled appointment time may require rescheduling depending on the clinic volume that day.**

We strive to make everyone's visit comfortable and within an appropriate amount of time. Please assist us in reaching this goal by being at your appointment on time. If you have any problems with your appointment time or need to reschedule, please call: **(661) 322-2206**.

We look forward to serving you and making your office visit a pleasant one.

CBCC Policy on Children & Visitors

Visitors: Space at CBCC is limited. Please only bring 1 (one) visitor to your appointment.

Exposure: Please do not bring pregnant women or children under 16 to your appointment. They should not be exposed to chemotherapy drugs and radioactive agents.

CBCC Policy on Appointments

The CBCC staff focus very hard on being respectful of your time. As such, we encourage you to keep all of your scheduled appointments.

The staff also understands that from time to time patients need immediate attention for medical conditions they are being treated for at CBCC. In such situations, please call us before coming to the facility, so that we can expedite the scheduling of your visit and limit your wait.

Code of Conduct

CBCC is committed to ensuring a safe, secure and respectful environment for everyone – patients, visitors, physicians, providers, healthcare teams and employees.

It is our expectation that all individuals will demonstrate civil and respectful behavior while on our premises.

We expressly prohibit:

- Abusive language including threats and slurs
- Sexual harassment
- Physical assault
- Weapons

To maintain a safe, secure and respectful environment for all, we reserve the right to take appropriate measures to address abusive, disruptive, inappropriate or aggressive behavior.

Consent to Obtain Patient Medication History

Your patient medication history is an important part of helping our providers treat your symptoms and/or illness properly and avoiding potentially dangerous drug interactions. Your medication history has been compiled from a variety of sources including, but not limited to, pharmacies, insurance companies and other healthcare providers. This information is stored in the electronic medical records (EHR/EMR) and is considered part of your medical record.

It is important that you discuss your medication history with your provider. While most of your medication history will be available, there are instances where items may not be available including, but not limited to, drugs that were purchased without using insurance, over-the-counter drugs, supplements and pharmacies that do not make medication history available.

By signing below I hereby give my permission to allow CBCC and its provider(s) to obtain my medication history. I understand that I am giving my consent for CBCC to collect and giving my pharmacy, insurance plans and other entities permission to disclose information about my medication history which may include, but not be limited to, medications to treat AIDS/HIV and medications prescribed to treat mental health issues such as depression.

California Immunization Registry (CAIR) Authorization Form

The California Immunization Registry (CAIR) is a computer based immunization tracking system developed to assist medical providers and other approved agencies to track and review immunization information for individuals, assess immunization needs and remind/recall patients, avoid unnecessary or redundant immunizations and control disease outbreaks. Information in CAIR is only available to authorized users. Based on the access level approved, the CAIR system will allow the provider/agency to access, view, add, or modify immunization information in CAIR either via the web interface or through electronic data exchange.

Your signature below indicates authorization for CBCC to submit electronically all immunizations ordered and received at CBCC.

HIPAA Notice of Privacy Practices (NPP)

HIPAA (The Health Insurance Portability and Accountability Act) provides protection to patients intended to limit disclosure of protected health information, which is any data concerning your treatment in the office. We will make every effort to comply completely with all HIPAA privacy regulations except as otherwise consented to by yourself, as set forth below. This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

If you have any questions about this notice, please contact our practice Privacy Officer.

Our Obligations:

We are required by law to:

- Maintain the privacy of protected health information except as described below.
- Give you this notice of our legal duties and privacy practices regarding health information about you.
- Follow the terms of our notice that is currently in effect.

How we may use and disclose health information:

The following describes the ways we may use and disclose health information that identifies you ("Health Information"). Except for the purposes described below, we will use and disclose Health Information only with your written permission. You may revoke such permission at any time by writing to our practice Privacy Officer.

For Treatment. We may use and disclose Health Information for your treatment and to provide you with treatment-related health care services. For example, we may disclose Health Information to doctors, nurses, technicians, or other personnel, including people outside our office, who are involved in your medical care and need the information to provide you with medical care.

For Payment. We may use and disclose Health Information so that we or others may bill and receive payment from you, an Insurance company or a third party for the treatment and services you received. For example, we may give your health plan information about you so that they will pay for your treatment.

For Screening. We may use and disclose health information pertaining to your diagnosis, care and treatment to CBCC Global, Inc. and any other CBCC affiliated entity including its agents and employees, for the purpose of cancer-related research and/or determining possible eligibility in cancer chemotherapy trials now in existence or which may arise in the future. Such screening is typically performed over time and on a random basic as new trials, protocols or experimental treatments come into existence. You will not be enrolled in any such program without your express consent and upon further discussion with your physician. Screening promotes better care for patients since new treatments may be found which did not exist when a patient was initially diagnosed and/or treated for cancer.

Military and Veterans. If you are a member of the armed forces, we may release Health Information as required by military command authorities. We also may release Health Information to the appropriate foreign military authority if you are a member of a foreign military.

Workers' Compensation. We may release Health Information for workers' compensation or similar programs. These programs provide benefits for work-related injuries or illness.

Public Health Risks. We may disclose Health Information for public health activities. These activities generally include disclosures to prevent or control disease, injury or disability; report births and deaths; report child abuse or neglect; report reactions to medications or problems with products; notify people of recalls of products they may be using; a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or conditions and the appropriate government authority if we believe a patient has been the victim of abuse, neglect or domestic violence. We will only make this disclosure if you agree or when required or authorized by law.

Health Oversight Activities. We may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

Data Breach Notification Purposes. We may use or disclose you Protected health information to provide legally required notices or unauthorized access to or disclosure of you health information.

Lawsuits and Disputes. If you are involved in a lawsuit or a dispute, we may disclose Health Information in response to a court or administrative order. We also may disclose Health Information in response to a subpoena, discover request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

Law Enforcement. We may release Health Information if asked by a law enforcement official if the information is: (1) in response to a court order, subpoena, warrant, summons or similar process; (2) limited information to identify or locate a suspect, fugitive, material witness, or missing person; (3) about the victim of a crime even if, under certain very limited circumstances, we are unable to obtain the person's agreement; (4) about a death we believe may be the result of criminal conduct; (5) about criminal conduct on our premises; and (6) in an emergency to report a crime, the location of the crime or victims, or the identity, description or location of the person who committed the crime.

Coroners, Medical Examiners and Funeral Directors. We may release Health Information to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death. We also may release Health Information to funeral directors as necessary for their duties.

Notice of Privacy Practices for Health Information (NPP) Acknowledgment Form and Consent to CBCC HIPAA Policies

Effective April 14, 2003; the law requires that Comprehensive Blood & Cancer Center provide to our patients a copy of its Notice of Privacy Practices for Health Information. By signing below, the patient acknowledges consent and receipt of such, or if you are the patient's personal representative, or authorized agent or involved in patient's medical care, you acknowledge consent and receipt of such.

Patient Financial Responsibility Assignments of Benefits

Patient Financial Responsibility Assignment of Benefits

Medicare and private insurance companies may not entirely cover the services requested by your physician and they may only pay a portion of the amount that CBCC bills to them. For example, patients are typically responsible for paying deductibles, co-insurance, and co-payments. By signing the Form you acknowledge that you are responsible for the amounts not paid by Medicare and/or your insurance company. By signing you also agree to meet with the CBCC Financial Counselor to arrange a payment plan for any outstanding balances. The counselor will work with you to make these payments as easy as possible on you and your family.

CBCC will make every effort to obtain authorization for services ordered by your physician from Medicare and/or your private insurance company. By signing this form you authorize CBCC to appeal any denials for prior authorization of services on your behalf.

We will also bill Medicare and/or your insurer for the services that we provide. By signing this form you authorize that payment of insurance benefits to CBCC for the services provided to you.

By signing the form you also authorize the release of medical information to your insurance company and to any other physicians participating in your medical care.

PET Scans: For patients receiving PET scans there is an additional obligation. Since the materials used in the PET scan must be specifically ordered for each patient, ***PET scans may only be canceled up to 24 hours before the exam is scheduled. After this time period, patients canceling a PET scan will be charged the cost of the unused dose.***

Insurance Eligibility Certification

I understand that it is my responsibility to provide CBCC with accurate information regarding my Medical Insurance Coverage. Should there be any change in my coverage, I agree that I am responsible for notifying CBCC of the changes and understand that should I fail to do so, I will be financially responsible for any resulting unpaid claims.

Financial Liaison Letter

Dear Patient,

Hello, my name is Lupe Colclasure, I am the Senior Financial Counselor here at CBCC and Dignity Health Care. It is my goal to make sure you have a better understanding of your medical coverage as well as your financial responsibility.

Have you wondered if your treatment is covered? What your financial responsibility would be? If so, please don't hesitate to call or meet with me. Allow me to assist you with your financial questions.

Not sure if you qualify for financial assistance? It only takes a moment of your time to review your options. There are several drug manufacture co-pay programs for patients that are commercially insured as well as foundation programs for patients that are covered by Medicare.

These programs may assist with radiation, injections, infusion and chemotherapy needs. I can also provide telephone numbers for additional assistance should you require services beyond my capabilities.

Please do not hesitate to contact me **(661) 616-6420**.

Kindest regards,

Lupe Colclasure
